LED line PRIME

Code: 206618

EAN: 5905378206618

Foldable lighting column 4m black PRIME

The foldable 4m black PRIME is an innovative design designed for versatile applications. Made of galvanized steel Q235, it guarantees not only high corrosion resistance, but also exceptional durability. Modular design allows height adjustment in the range of 2 to 5 meters, which provides flexibility for installation. The end diameter of ø 60 mm allows for easy matching of popular lighting fittings.
