Key features:

- ▶ Aesthetic and uniform light thanks to COB technology
- ▶ High energy efficiency even during long tape operation
- ▶ Increased safety when moving around at night
- ▶ Available in two light colours – warm and neutral
- ▶ High-quality tape packaging

Application:

- ▶ Decorative interior lighting
- ▶ Orientation lighting
- ▶ Architectural backlighting

Minimum power, maximum effect

The LED line PRIME COB 1W/m tape combines exceptionally low energy consumption with uniform, aesthetic lighting. Perfect for night-time and decorative illumination of stairs, hallways, or recesses – it operates all night without inflating your energy bills. Subtle yet noticeable – it creates a safe and pleasant atmosphere wherever discreet lighting and a modern look matter.
