One lamp — four mounting options

TAZA 4-in-1 is a versatile solution that offers complete freedom to arrange the lighting. With four mounting options in a single lamp, it can be easily adapted to suit the character of any interior or the style of any event.

1 BOTTLE MOUNTING

2 BOTTLE OR TABLETOP MOUNTING

3 SHORT STAND MOUNTING

4 DUAL-HEIGHT STAND MOUNTING

Additional functionality

TAZA LED 4-in-1 offers not only flexible mounting, but also full control over the lighting to match any mood or setting. With three-step dimming (10% / 50% / 100%) and a choice of three colour temperatures (3000K / 4000K / 5000K), this lamp makes it easy to create the perfect atmosphere — from cosy, warm light to modern, bright illumination.

3000K

4000K

5000K

Other features:

- Charging via USB-C (cable included)
- IP54 protection rating
- Battery 2x2000 mAh
- Battery life: up to 8 hours
