LED PANEL

BACKLIT 2in1

Versatility and ease of installation

BACKLIT 2in1

A functional office luminaire that features versatility and easy installation.

Universal mounting
Surface and flush mounting (Armstrong Ceiling) in one product, without the need to buy additional mounting frames.
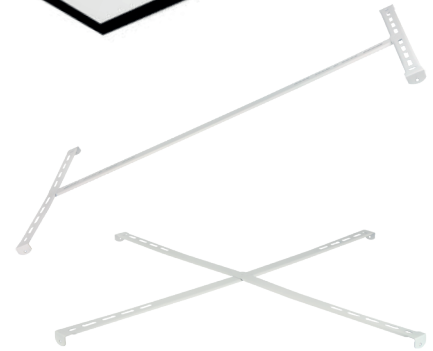

Sizes and colors
Available in sizes: 60x60, 30x120, 62x62 and two colors - white and black, to fit any interior.

Friendly lighting
LED 40W panels with a color temperature of 4000K provide neutral light, and bright and even illumination.

Usage
Panels ideal for quick, cost-effective lighting upgrades in areas requiring mounting surface-mounted, such as schools and offices.
