

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light sources

**Supplier's name or trade mark:** LED line LITE

**Supplier's address:** LEDIN Group Sp. z o.o., Dębowa 1, 07-410 Rzekuń Tobolice Mazowieckie, PL

**Model identifier:** 200760-II

## Type of light source:

|                                                     |         |                                 |      |
|-----------------------------------------------------|---------|---------------------------------|------|
| Lighting technology used:                           | LED     | Non-directional or directional: | NDLS |
| Light source cap-type (or other electric interface) | 100mADC |                                 |      |
| Mains or non-mains:                                 | NMLS    | Connected light source (CLS):   | No   |
| Colour-tuneable light source:                       | No      | Envelope:                       | -    |
| High luminance light source:                        | No      |                                 |      |
| Anti-glare shield:                                  | No      | Dimmable:                       | Yes  |

## Product parameters

| Parameter                                                                                                                                      |        | Value                  | Parameter                                                                                                                                                  | Value                   |
|------------------------------------------------------------------------------------------------------------------------------------------------|--------|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------|
| General product parameters:                                                                                                                    |        |                        |                                                                                                                                                            |                         |
| Energy consumption in on-mode (kWh/1000 h), rounded up to the nearest integer                                                                  |        | 8                      | Energy efficiency class                                                                                                                                    | C                       |
| Useful luminous flux ( $\phi_{use}$ ), indicating if it refers to the flux in a sphere (360°), in a wide cone (120°) or in a narrow cone (90°) |        | 1 400 in Sphere (360°) | Correlated colour temperature, rounded to the nearest 100 K, or the range of correlated colour temperatures, rounded to the nearest 100 K, that can be set | 3 000 or 4 000 or 6 000 |
| On-mode power ( $P_{on}$ ), expressed in W                                                                                                     |        | 8,0                    | Standby power ( $P_{sb}$ ), expressed in W and rounded to the second decimal                                                                               | 0,00                    |
| Networked standby power ( $P_{net}$ ) for CLS, expressed in W and rounded to the second decimal                                                |        | -                      | Colour rendering index, rounded to the nearest integer, or the range of CRI-values that can be set                                                         | 80                      |
| Outer dimensions without separate control gear, lighting control                                                                               | Height | 12                     | Spectral power distribution in the range 250 nm to 800 nm, at full-load                                                                                    | See image in last page  |
|                                                                                                                                                | Width  | 290                    |                                                                                                                                                            |                         |
|                                                                                                                                                | Depth  | 3                      |                                                                                                                                                            |                         |

|                                                           |      |                                    |                |  |
|-----------------------------------------------------------|------|------------------------------------|----------------|--|
| parts and non-lighting control parts, if any (millimetre) |      |                                    |                |  |
| Claim of equivalent power <sup>(a)</sup>                  | -    | If yes, equivalent power (W)       | -              |  |
|                                                           |      | Chromaticity coordinates (x and y) | 0,368<br>0,364 |  |
| <b>Parameters for LED and OLED light sources:</b>         |      |                                    |                |  |
| R9 colour rendering index value                           | 24   | Survival factor                    | 0,90           |  |
| the lumen maintenance factor                              | 0,96 |                                    |                |  |
