110

Colour temperature [K]:
4000 CCT 3000-4000-6500

Lifetime [h]:
L70B50 - 50.000

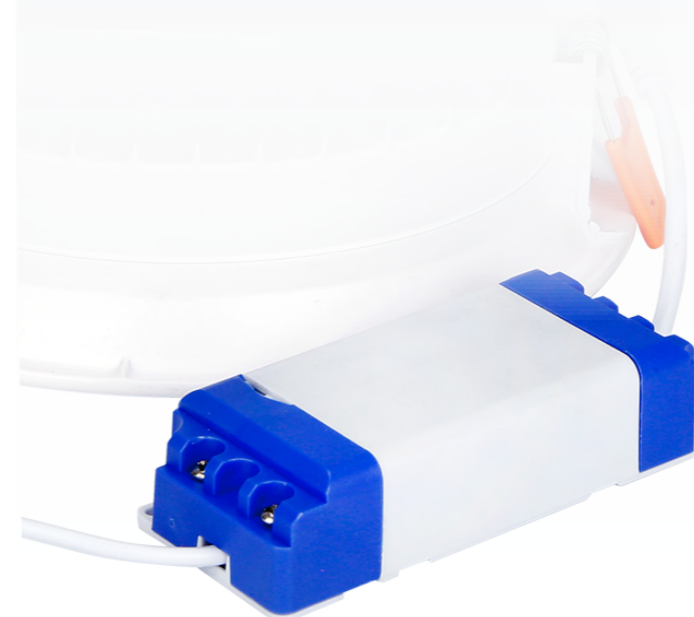

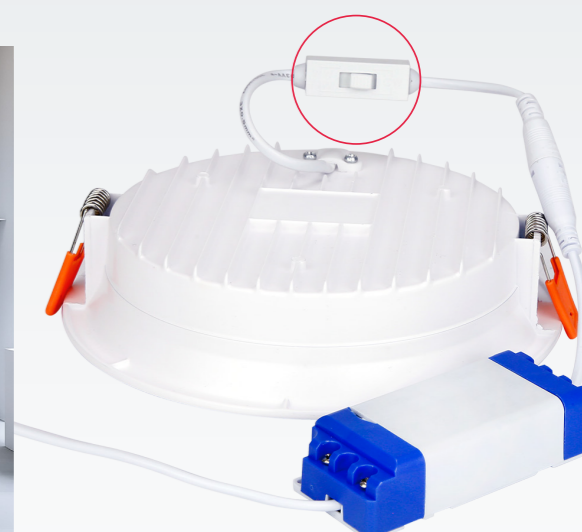

Diffuser:
polycarbonate

Housing:
aluminium

One product, a whole range of possibilities

The new Calmos 3CCT LED Downlight is an ultra-slim luminaire with a selectable color temperature function, designed specifically for installation in low-ceiling voids. Its external, replaceable driver ensures optimal thermal performance and allows easy integration with lighting control systems.

With efficacy up to 115 lm/W and a 5-year warranty, it's a reliable choice for professionals looking for versatile and long-lasting solutions.

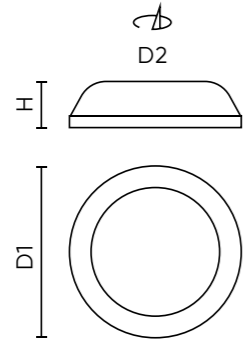

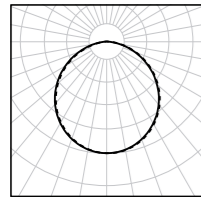

The downlight features an external driver, making installation easier and allowing for servicing without the need to remove the luminaire.

The standard driver can be replaced with a version compatible with dimming or smart control systems, such as DALI-2, enabling easy adaptation of the fixture to specific project requirements.
