LED STRIPS DIGITAL SPI

CECHY GŁÓWNE

- ▶ Perfectly uniform COB line of light
- ▶ Dynamic animations and digital SPI control
- ▶ Addressable LED sections and "flowing light" effect
- ▶ Stable 24V architecture with no voltage drop
- ▶ Up to 784 LEDs/m – no visible light points
- ▶ RGBW + dedicated 4000K white in a single product
- ▶ Available in IP20 and waterproof IP66 versions
- ▶ Capability to create advanced lighting scenes

EFFICACY 78 lm/W

Power [W/m]:
10, 21

Luminous flux [lm/m]:
350, 780

Beam angle (°):
180

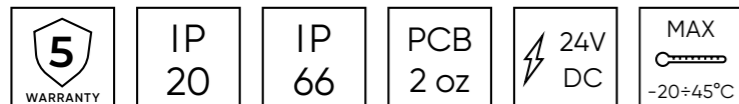

Colour temperature [K]:
4000 RGB RGBW

Lifetime [h]:
L70B50 - 50.000

TECHNOLOGY THAT REDEFINES STANDARDS

The combination of COB technology and digital SPI control defines modern LED lighting. A perfectly uniform line of light, dynamic effects, and full control over every section.

DIGITAL SPI CONTROL

Digital SPI control enables smooth animations, dynamic lighting effects, and independent addressing of individual sections

WHITE DIGITAL SPI

WS2811 • COB 360 • 4000K

Neutral 4000K light in a perfectly uniform line. Designed for architectural, functional, and decorative lighting projects.

RGBW DIGITAL SPI

WS2814 • COB 784 • RGBW 4000K

A full RGB colour palette combined with a dedicated 4000K white channel, ensuring truly white light. Ideal for dynamic, creative indoor and outdoor lighting installations.

A UNIQUE EFFECT FOR YOUR SPACE

CUSTOMISED ANIMATIONS

Designed to bring light into motion. Smooth transitions, lighting pulses, and dynamic sequences create the impression of movement integrated into the architecture.

DIGI

COB + SPI

A truly unique combination of a perfectly uniform COB line of light with dynamic digital control.

24V

24V ARCHITECTURE

No voltage drop at the end of the strip and consistent brightness across the entire length.

RGBW + TRUE WHITE

A full RGB colour palette combined with pure white light whenever the space demands flawless functionality.

HIGH LED DENSITY

Our COB strips feature from 360 up to 784 LEDs per metre in the most advanced version. This ensures a perfectly continuous line of light with no visible light points.
