MERRYTEK sensor s/a on/off DT Long&Narrow ob.

MERRYTEK sensor s/a on/off DT Long&Narrow is an advanced lighting device that uses motion detection technology and daylight. Thanks to the On-off function, it saves energy and automatically activates in appropriate lighting conditions. The range of the daylight sensor is 5-150lux, which allows for precise adjustment of the operation to changing ambient conditions.

Technical data

Parameter	Value
Warranty	5
IP protection rating	IP20
