

Mean Well

Code: SDR-120-24

EAN: 5100000000357

Mean Well power supply DIN rail 5A
120W 24V

The SDR-120-24 power supply with 120W and 24V output voltage is a reliable device from Mean Well, characterized by high quality performance and performance. 5A output current provides stable power for different applications. This model is distinguished by its solid design, which translates into its long-lasting lifespan.
