

LED line PRIME

Code: 478580

EAN: 5907777478580

10 mm aluminum profile, anodized
recessed 2 meters + frosted cover

The 2020 mm LED PRIME anodized aluminium profile is an elegant release solution that is characterized by high quality workmanship. The set includes a milky PVC lens to ensure uniform light scattering. Additionally, the product is equipped with two grey caps and three mounting brackets in the same color, which facilitates installation. Thanks to excellent heat discharge, the profile is durable and UV-resistant.
