Mean Well power supply ELG-75-24A
3,15A 75,6W 24V IP65

The ELG-75-24A power supply from the renowned company Mean Well is a high-performance unit with a power output of 75.6 W and a output voltage of 24 V. It is characterized by a maximum load of 3.15 A and IP65 protection, which provides resistance to dust and water. The use of advanced technology guarantees stable work and long service life.
