LED line

LED line PRIME   Code: 478641   EAN: 5907777478641

10 mm anodized aluminum profile, black anodized surface 2 meters + frosted cover

The aluminium surface profile of the LED line PRIME with a length of 2020 mm and a width of 16 mm, in an elegant black finish, ensures efficient heat removal. The set includes a milk PVC lens and a kit of mounting accessories, making installation easier. Thanks to its high resistance to UV radiation and heat, the lens guarantees durability and aesthetics. The product is characterized by a modern design, which perfectly composes in various interior arrangements.
