**Mean Well power supply LPH-18-24
0,75A 18W 24V IP67**

The LPH-18-24 power supply from the renowned brand Mean Well is an efficient 18W device, working on a 24V voltage. It is characterized by IP67 protection, which provides high resistance to atmospheric conditions and dust. With a maximum output current of 0.75A, this power supply guarantees a stable and reliable supply of energy to various light projects.
