

LED line PRIME

Code: 200487

EAN: 5905378200487

Angle connector for COB LED strips
2700K 8mm 2-pin Type L 11W PRIME

LED line PRIME LED angle connector with colour temperature of 2700K is an advanced solution for professional lighting systems. It is characterized by a PCB width of 8 mm, which facilitates the installation of LED tapes. The power of 11W and the L-type connector provide stable connections between components, guaranteeing high functionality and aesthetics.
