

LED line PRIME

Code: 203686

EAN: 5905378203686

LED line PRIME Aluminum Profile
Recessed White 2m - set

The 2 m long LED line PRIME aluminium profile is an innovative lighting solution. Made of high quality aluminum, it guarantees durability and aesthetics of assembly. The milk cane of polycarbonate provides effective light diffusion, minimising the yellowing effect. Thanks to effective heat discharge, it extends the life of LED tapes. The product is available in three color versions, which allows to fit into a variety of interior arrangements.
