

Mean Well

Code: LRS-350-12

EAN:

Mean Well power supply LRS-350-12
348W 12V

The LRS-350-12 power supply from Mean Well is a reliable device with a maximum power of 348 W and 29 A output current. It works with AC input voltage from 180 V to 264 V and DC to 370 V, providing stable power in different conditions. Its depth is 215 mm and its length is 115 mm, making it compact and easy to mount. The power supply is covered by a three-year warranty, which confirms the quality and durability of the product.
