

Mean Well

Code: SDR-240-24

EAN: 5100000000358

**Mean Well power supply DIN rail 10A
240W 24V**

The SDR-240-24 power supply from Mean Well is an efficient 240W power supply for a stable 24V output voltage with a maximum current of 10A. Its DIN-based design enables easy installation in control cabinets. The power supply is characterized by high reliability and energy efficiency, which translates into long-term use in various applications.
