Downlight MOLLY Round frame for surface mounting 18W white LITE

New

The surface-mounted frame LED line is a functional adapter that quickly changes the purpose of Slim recessed panels, allowing them to be mounted directly on the ceiling or wall. The perfectly matched construction ensures an aesthetic finish and a cohesive look for the entire installation, while maintaining the compact dimensions of the fixture. Thanks to the simple mounting system, it is an indispensable solution wherever suspended ceilings cannot be used.
