

LED line PRIME

Code: 200562

EAN: 5905378200562

Mounting clip for LED strips 8mm
PRIME

LED line PRIME mounting bracket for 8 mm wide LED belts is a reliable solution for stability and durability. Made of high quality materials, it is characterized by a solid design that guarantees safety during assembly of the belt. Its innovative design allows flexible adjustment to individual user needs. Thanks to this, the handle not only protects the LED tape, but also aesthetically composes with different interior arrangements.
