Mean Well constant voltage power supply HLG-80H-48A

The HLG-80H-48A power supply from the renowned Mean Well brand is a reliable 80W power source, suitable for operation with a output voltage of 48 V. Its IP67 seal class provides protection from dust and water, making it ideal for difficult environmental conditions. With an output current of up to 1.7A, it guarantees a stable power supply of LED devices.
