

LED line PRIME

Code: 203631

EAN: 5905378203631

LED line PRIME Aluminum  
ProfileSurface Black 2m - set

Aluminium profile LED line PRIME in black 2 m long is a product that combines modern design with functionality. Made of high quality aluminum, it ensures durability and resistance to mechanical damage. The milk cane made of polycarbonate guarantees excellent light scattering and aesthetic finish. Thanks to effective heat discharge, LEDs have an extended lifespan, making this profile a reliable solution for lighting applications.
