Mean Well constant voltage power supply HLG-240H-24A

The HLG-240H-24A power supply from Mean Well is a professional solution for LED lighting systems. It offers 240W power and 24V output voltage for stable power supply. The metal housing with IP65 leak class protects against penetration of water and dust, guaranteeing reliability of operation even in extreme conditions (temperature -40~+70°C). Built-in short circuit, overcurrent and thermal protections increase safety of use.

Technical data

Parameter	Value	Parameter	Value
Power	• 240 W	Length	244,2
Output current	10	Width	68
Wire length	300 mm	Height	38,8
Ambient temperature suitable for operation	-40~+70°C	Output voltage	• 24 V
