

Mean Well

Code: MDR-60-12

EAN: 5100000000404

Mean Well power supply DIN rail 5A
60W 12V

MDR-60-12 power supply with 60W and 12V output voltage is a product of the renowned brand Mean Well, which provides excellent power stability for various LED applications. With its help, you can achieve high quality of operation, as confirmed by safety certificates. It is characterized by solid design and high energy efficiency, which translates into efficiency of use.
