

LED line LITE

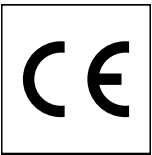

Code: 246586

EAN: 5901583246586

Aluminum clip for IP67 strip 5cm width  
13.2mm

ALU holder for 5 cm wide IP67 LED strip is a guarantee of high quality and reliability. Its robust design provides effective support for LED tapes, and IP67 leak class protects against moisture and dust. Thanks to its intuitive installation, the handle fits perfectly into modern arrangements, not only a functional element but also an aesthetic finish of space.
