MERRYTEK microwave motion sensor
RC2 C DT 2-DIM+/- IP65

The MC054V-RC2-C detector is a waterproof microwave sensor rated IP65, designed for outdoor use or in humid environments. It is equipped with a two-stage dimming function, allowing for subtle and smooth transitions to an energy-saving standby mode. Configuration of all times and sensitivity levels is done completely wirelessly using a compatible RC2 remote control. The use of a durable housing ensures high reliability even in heavily dust-laden industrial installations. The device is most commonly mounted inside sealed industrial fixtures and in storage sheds.

Technical data

Parameter	Value	Parameter	Value
Warranty	5	Ambient temperature suitable for operation	-35?~+55?
Voltage	• 120-277 V AC	Width	62 mm
IP protection rating	IP65	Diameter	20 mm
Frequency of the supply voltage	50/60Hz	Weight	0,17 kg
Sensor type	Microwave
