

LED line PRIME

Code: 200524

EAN: 5905378200524

Angle connector for COB LED strips
4000K 10mm 2-pin Type L 14W PRIME

The LED line PRIME type L connector for LED COB belts is an ideal solution for demanding lighting installations. It is characterized by power of 14W and light temperature 4000K, which provides natural and pleasant lighting. The 8 mm PCB width enables seamless installation and compatibility with standard LED tapes. The high quality of performance guarantees long-term operation and the additional five-year warranty emphasizes product reliability.
