

Mean Well

Code: MDR-20-24

EAN:

Mean Well power supply DIN rail 1A 20W 24V

MDR-20-24 power supply 1A 20W 24V DIN by Mean Well is a high reliability and performance unit. The power supply provides an output voltage of 24 V, ideal for powering a variety of electronic devices. Its power reaches a value of 20 W, which ensures stable operation in many applications. Robust design with quality certificate guarantees long-term use and safety of operation.
