Lighting split pole 3m black PRIME

The 3m black PRIME foldable lighting pole is a functional solution made of galvanized steel Q235. Its robust design ensures stability, and the end diameter of  $\varnothing$  60 mm allows easy fit to compatible lighting systems. The dimensions of the base (255x255x10 mm) guarantee adequate support and the possibility of revision facilitates maintenance. The product is characterized by an aesthetic black finish, ideal for modern spaces.
