

Mean Well

Code: MDR-100-12

EAN: 5100000000343

Mean Well power supply DIN rail 8,3A
100W 12V

MDR-100-12 power supply from Mean Well is a high quality power unit designed for mounting on the DIN rail. It offers output power of 100 W and stable voltage of 12 V, making it ideal for applications requiring reliable energy. The power supply is characterized by cooling based on free air circulation and high efficiency.
