Mean Well power supply LPV-100-5 5V IP67

The LPV-100-5 power supply from Mean Well is a reliable 60W power supply designed to supply 5V voltage. It is characterized by IP67 protection class, which guarantees resistance to dust and water, ensuring long-term use in difficult conditions. Capable of operating at output current up to 12A, it offers stable performance parameters. Its robust design makes it ideal for demanding electronic and lighting applications.
