

LED line LITE

Code: UCHWYT8MM

EAN:

Mounting bracket 8mm for LED strips waterproof

The 8mm waterproof LED line LITE mount is a reliable accessory that provides a solid and safe LED lighting fixture. Made of high quality materials, it guarantees resistance to difficult weather conditions and long-term use. Its design allows easy installation of 8mm wide LED tapes, making it a versatile solution. The handle combines functionality with aesthetics, perfectly composing each lighting design.
