Code: CONDC-T92 EAN: 5100000000172

DC plug 2,1/5,5 with terminal box

The DC 5,5x2.1 mm connector with mounting terminals is a reliable connector for fast and efficient connection of cables to devices terminated with a DC socket. Thanks to the use of convenient assembly terminals, the installation becomes simpler and more durable. Simply isolate the wires and then insert them into the appropriate clamps and turn. The product guarantees a certain connection and minimises the risk of errors during installation.
