EAN: 5100000000405

**Mean Well power supply RSP-320-12
26,6A 320W 12V**

The RSP-320-12 power supply from the renowned brand Mean Well is an efficient device with 320.4 watts and 12 V output voltage, with a maximum current of 26.7 A. It is characterized by high reliability and stability of work. Its robust design ensures safety of use by means of overload, short circuit and overvoltage protection.
