RF SLIM Remote for VARIANTE
DIM/CCT/0-10V PRIME Controller

The remote control VARIANTE DIM/CCT/1-10V by LED line PRIME offers an innovative lighting management solution. Thanks to the ability to group controllers, users can customize the atmosphere using favorite light scenes available under dedicated buttons. The device provides precise brightness control and safety with unique coding. The radio range is up to 20 m and the stylish design completes its functionality.
