LED line PRIME Aluminum Profile  
Corner White 2m - set

Aluminium corner profile LED line PRIME with a length of 2 meters in white is a guarantee of exceptional aesthetics and durability. Made of aluminium, it provides optimal protection for LED belts and efficient heat discharge, which prolongs their life. The milk canister of polycarbonate does not yellow and protects the diodes from damage. Thanks to universal design, the profile fits perfectly into modern interior arrangements, creating elegant and stylish finish.
