

LED line LITE

Code: UCHWYT10MM

EAN:

Mounting bracket 10mm for LED strips waterproof

The 10mm waterproof LED line LITE mount holder is an excellent solution for installing 10 mm wide LED tapes. Thanks to its advanced design, it provides high resistance to moisture, making it suitable for use in difficult weather conditions. Made of quality materials, the handle guarantees a stable fixing of the LED tape, allowing for quick and seamless installation.
