LED line PRIME FUSION Anti Glare shield black

The LED line PRIME FUSION anti-foam shield is an advanced solution for comfort in the use of lighting. Thanks to modern materials, it reduces the glare factor below UGR<19, which guarantees friendly light conditions. Aesthetic design emphasizes the elegance of FUSION housing, which can be adapted to different configurations: 2 guards for 20W model, 4 for 40W and 5 guards for 60W version.
