

Code: 2034629

EAN:

Connector for 1-phase track light rail
straight (black)

The 1-phase matt rail connector is ideal for those looking for a reliable electrical component. Made of metal, ABS and copper conductors, it ensures reliability and durability. It works in the voltage range 100-240V AC at 50/60Hz frequency. It offers IP20 protection class, which makes it designed for internal applications. Its compact dimensions 80 x 34 x 20 mm allow easy installation.

Technical data

Parameter	Value
IP protection rating	IP20
Length	80
Width	34
