DC plug 2,1/5,5 with cable

DC 5.5x2.1 plug with 150 cm cable is a solid solution for connecting devices to DC sockets. Made of high quality materials, it provides a stable connection and reliability in use. The standard 2.1 x 5.5 mm connector size allows easy integration into a wide spectrum of devices. Thanks to the flexible cable of appropriate length, the installation can be conveniently adapted to individual needs.
