

LED line PRIME

Code: 200456

EAN: 5905378200456

Angle connector for COB LED strips
2700K 8mm 2-pin Type L 8W PRIME

The PRIME LED line connector is an innovative solution for LED COB tapes, characterized by angular shape and colour of light 2700K. It works with 8 mm wide straps and has L connectors, making installation easier. The 8W product guarantees low energy consumption without compromising lighting quality. Made of high quality materials ensures long-lasting and reliable operation. The guarantee for five years demonstrates its quality and durability.
