

LED line LITE

Code: 203365

EAN: 5905378203365

LED line LITE Floodlight LUMINO 20W  
4000K 2000lm with motion sensor

LUMINO 20W LED line LITE is a perfect combination of performance and modern technology. It emits a luminous flux of 2000 lm, with an efficiency of 100 lm/W. It offers a neutral light colour 4000 K and a wide light angle of 120°, which provides optimal space lighting. The integrated PIR motion sensor automatically activates the device, increasing energy efficiency and safety.

Technical data

| Parameter                             | Value          |
|---------------------------------------|----------------|
| Energy efficiency class 2019/2015     | F              |
| Warranty                              | 3              |
| Power                                 | • 20 W         |
| Voltage                               | • 220-240 V AC |
| Correlated colour temperature         | • 4000 K       |
| Colour of the light                   | White          |
| Colour rendering index Ra             | 70             |
| IP protection rating                  | IP44           |
| IK protection rating                  | 05             |
| IEC protection class                  | I              |
| Luminous efficacy                     | 100            |
| Luminous flux                         | 2000           |
| The lumen maintenance factor          | 96             |
| Lifetime L70B50                       | 25 000 h       |
| Survival factor                       | 0.9            |
| Colour consistency in McAdam ellipses | ≤6             |

| Parameter                                  | Value              |
|--------------------------------------------|--------------------|
| Hold time                                  | 10s - 10min        |
| Frequency of the supply voltage            | 50/60Hz            |
| Beam angle                                 | 110                |
| Sensor type                                | PIR                |
| LED type                                   | SMD LED            |
| LED quantity                               | 28                 |
| Power Factor                               | 0,9                |
| Lamp's warm-up time to 60%                 | 1                  |
| Ambient temperature suitable for operation | -20÷40             |
| For indoor use                             | Inside             |
| Length                                     | 145                |
| Width                                      | 126,5              |
| Height                                     | 71                 |
| Weight                                     | 270                |
| Material (housing)                         | Die cast aluminium |
| Material (cover)                           | Tempered glass     |

Logistics data

Single packaging

|          |          |
|----------|----------|
| Quantity | 1        |
| Width    | 145 mm   |
| Height   | 71 mm    |
| Length   | 126,5 mm |
| Weight   | 0,25 kg  |

Bulk packaging

|          |          |
|----------|----------|
| Quantity | 20       |
| Width    | 325 mm   |
| Height   | 285 mm   |
| Length   | 340 mm   |
| Volume   | 0,031 m3 |
| Weight   | 5,35 kg  |

Europallet

|                   |          |
|-------------------|----------|
| Height            | 1950 mm  |
| Quantity in layer | 160      |
| Number of layers  | 6        |
| Bulk quantity     | 960      |
| Weight            | 256,8 kg |
