Mean Well power supply ELG-100-24DA-3Y 4A 100W 24V

The ELG-100-24DA-3Y power supply from the renowned brand Mean Well is a 96W high-performance unit designed to operate in 24V power supply systems. It offers stable power with a maximum current of 4A, making it ideal for applications requiring constant power. Thanks to the IP65 classification, it provides protection against dust and streams of water, which allows safe outdoor use.
