

Mean Well

Code: EDR-150-24

EAN: 5100000001097

Mean Well power supply DIN rail 6,5A
150W 24V

The EDR 150-24 power supply from the renowned brand Mean Well is a reliable power supply of 150 W and output voltage of 24 V. It is characterized by a maximum output current of 6.5 A, which ensures stable and efficient power supply of connected devices. This model is designed for durability and efficiency, making it an ideal choice for high quality power applications.
