

Mean Well

Code: LPC-20-350

EAN:

Mean Well power supply LPC-20-350
350mA 16,8W 9-48V

The LPC-20-350 power supply from the renowned brand Mean Well is a reliable power source, providing 350mA parameters with a maximum power of 16.8W. It works in a wide range of input voltages from 90 to 264V AC and has a voltage tolerance of +/-5%. It offers overvoltage, overload and short circuit protection, which ensures safe operation. 83% efficiency makes it an effective solution for LED lighting systems.

Technical data

Parameter	Value	Parameter	Value
Voltage	• 90-264 V AC	Length	118
Input voltage frequency range	47 ~ 63Hz	Width	35
Rated current	16,8W	Height	26
Voltage tolerance	+/-5%	Weight	220
Ambient temperature suitable for operation	` -30 ÷ 70	Output voltage	• 9-48 V
