Mean Well constant voltage power supply HLG-120H-12A

The HLG-120H-12A power supply from Mean Well is an efficient 120W power supply and 12V output voltage. Its maximum current is 10A, which ensures stable operation of connected devices. The device is characterized by IP65 seal class, making it resistant to dust and water. It is ideal for systems requiring reliable power supply in difficult conditions.
