EAN: 5905378209770

Mounting frame for panels 120x30
H70mm white Prime

New

The 120x30 H70mm white LED panel mounting frame is an innovative PRIME LED line solution, characterized by a solid aluminum structure and powder-painted coating. The use of the highest quality materials ensures durability and aesthetic appearance. The frame dimensions are 1200 mm long, 300 mm wide and 70 mm high. The product is adapted to the surface installation, allowing easy installation in different interiors.
