

LED line PRIME

Code: 479150

EAN: 5907777479150

Opal cover for LED line® surface / corner / recessed aluminum profile 2 meters 1 pc

The 2020 mm long LED PRIME aluminium profile is made of high quality polycarbonate, which provides exceptional UV resistance and high temperatures. Thanks to the lens construction used, it is possible to distribute the light evenly, which improves the quality of the illumination space. The product is characterized by a classic, elegant look, perfectly combined with modern lighting systems.
