Mean Well constant voltage power supply HLG-320H-24B

The HLG-320H-24B power supply from Mean Well is an efficient 320W power device, designed to power LED solutions. It is characterized by an output voltage of 24 V and a maximum current of 13 A. Overcurrent, short circuit and overvoltage protections ensure operational safety. The casing with IP65 protection allows installation in difficult weather conditions.
