EAN: 5100000000389

Mean Well constant voltage power supply HLG-150H-12A

The HLG-150H-12A power supply of the renowned Mean Well brand is an advanced 150W device and 12V output voltage. Its maximum output current is 12.5 A, which provides stable power for various applications. The IP65 housing with a high degree of protection provides water and dust resistance, making it an ideal choice for applications in difficult conditions.
