Sling 1,5m with self-regulation for 3 phase track LUMICANTO white PRIME

LUMICANTO suspension with a length of 1.5 m is an innovative assembly element created by the PRIME LED line brand. Its design provides easy height adjustment, allowing for precise adjustment to the user's requirements. The use of white finish gives it a modern character, harmonising with various arrangements. The product is characterized by high quality of performance and durability, which guarantees reliability in everyday use.
